KEYNOTE SPEAKER &
RELATIONSHIP EXPERT

MEDIA KIT

Hi, I'm Dana Che!

KEYNOTE SPEAKER & RELATIONSHIP EXPERT

I am purposefully passionate about helping people learn the art and skills of relationships done right. As a relationship and mindset coach, I help corporations, ministries, teams, and individuals tackle communication challenges, implement healthy boundaries, develop structured rhythms for emotional well-being, and overcome the fear that holds them back. I hold a B.A. in communication from Regent University. I am a lifelong native of Virginia Beach, VA where I share my life with my husband of twenty-five years and our four "grownish" children.

I believe that "A good relationship isn't one that works; a good relationship is one where you put in the work." So, let's get to work.
